T-Grade

\* Aggregates are available ceramic or polymer-coated, slurry and trowel grade. Custom colors and blends are available. Due to the printing process, the colors and blends presented here are intended to be general representations of product. For an accurate representation, please request a physical sample by contacting your Protective Industrial Polymers' sales representative.

\* QuartzCast can be incorporated into any Protective Industrial Polymers flooring system (CT-Series, BC-Series, SL-Series, MT-Series)
